

## 2022 MOHUA SAUVIGNON BLANC

Sub Regions	Lower Wairau, Wairau Valley and Southern Valleys
Season	2022 began with excellent soil moisture levels which, combined with early season warmth, produced excellent spring growth followed by an above average fruit set. The warm growing season was punctuated with February rainfall which replenished soil moisture levels through to harvest.
Harvest	16 March – 3 April
Analysis	Brix av: 22      TA: 7.5 pH: 3.37      RS: 5.3g/l
Alcohol	12.2%
Clone	MS
Cellaring	1 – 2 years

---

**TASTING NOTE:** Expressive aromatics of dark lime, lemongrass, fresh cut rocket and sweet bay leaf combine with a succulent ripe citrus palate. A refreshing wine with lovely poise and length.
