MOHUA SAUVIGNON BLANC 2023

TASTING NOTE:
Pale straw in colour with a complex aroma featuring layers of snow pea, passion fruit and sweet lime. Gentle acidity combines with intense flavours including citrus sherbet and a lemon twist on the finish. A mouth-watering wine best enjoyed chilled.

STYLE:
An elegant expression of the world-renowned Marlborough Sauvignon Blanc, bringing distinct and consistent characters to every vintage.

THE SEASON:
The la Niña conditions experienced during the 2023 growing season proved favourable for Sauvignon Blanc in Marlborough. Bright warm days were balanced with significant rain events for strong vine growth for excellent acidity retention. Stunning late season conditions rewarded us with one of the best vintages in recent memory.
